present a statement or a paper and say the Public Works Committee wishes to study the area of power, of the Slury pipe control, automobile registration. They're going to have a continuing study. That along with the new studies that individual Senators ... we always have to let the individual Senator present a study himself. So the Executive Board would then have the prime purpose of doing that. We could take the statement from the committees. For instance, you as Judiciary, as you have been doing, have said these are the studies we need in Judiciary. If each committee chairman, next year, when we have interim study two weeks from then I promise we will make a statement that committee chairmen also should present a position paper as to what they want to study during the interim of each individual year.

SENATOR LUEDTKE: No I was not suggesting that we strike out the possibility of individual Senators bringing in interim study resolutions, Senator Mahoney. I was just suggesting that the other be handled this way. The Executive Board would still have to vote on these issues.

CLERK: A message on the desk.

PRESIDENT: Yes sir.

CLERK: Read message from Governor found on pages 2058 thru 2061 in Journal.

Mr. President, I move we recess until 1:30. Signed, Senator Burbach.

PRESIDENT: You've heard the motion. All those in favor say aye, contrary nay. We are adjourned.

Senator Warner, did you have ... Senator Murphy, did you have something of interest?

SENATOR MURPHY: I wonder if the Clerk would have a mimeographed copy of that letter on our desks when we return.

RECESS

PRESIDENT: The Legislature will please be in order. Would you record your presence. Would you please record your presence. Would the Sergeant-at-Arms see if he can round up more of the membership. Mr. Clerk.

CLERK: Quorum present Mr. President. Motion on the desk.

PRESIDENT: Read the motion.

CLERK: I move to override ... Mr. President, there's a series of resolutions which have been placed in the Journal through the course of the legislative session which have not been disposed of, which could properly be acted on at this time while everybody's digesting the veto message. The first
